Location & Space

Unicorn Village

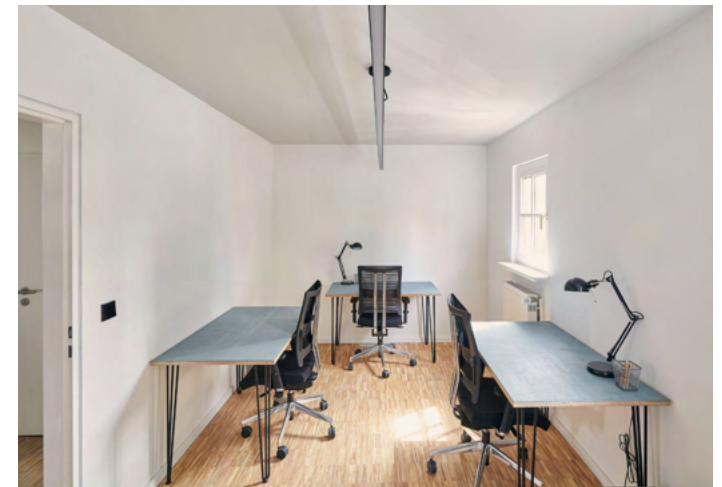

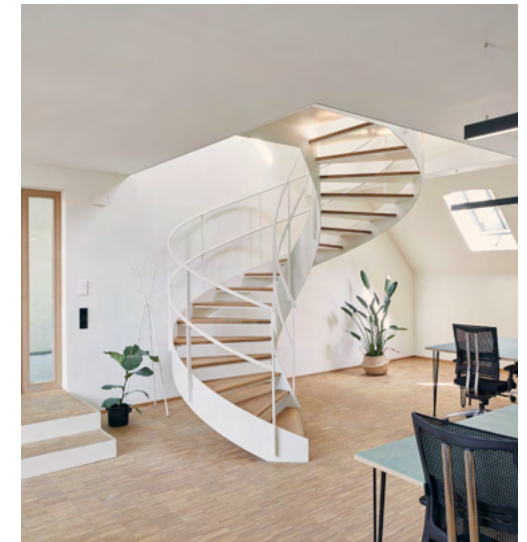

Richardstrasse 85/86
12043 Berlin

On the site of a former creamery, this workspace has bright offices and meeting rooms, a communal area and its own inner courtyard. The space's name "Village" refers to its Rixdorf neighborhood location, once a bohemian village. Even today the village's church, 17th century blacksmith shops, small cottages and historical courtyards – dotted with charming cafés and restaurants – provide a relaxed village feeling in the midst of Berlin-Neukölln.
